Dear Fellow Republican:

Thank you for considering supporting the endorsed Republican candidates for office.

In an ever-growing climate of hostility to conservatism in our state, it is more important than ever to elect the right Republicans to fight for our community and our country. We stand behind candidates who will fight against tax increases and inflation, support law enforcement and first responders, and protect our children – to KEEP PLACER RED!

These candidates are the best Republicans to represent our values and way of life. Please, use this as your voter guide when marking your ballot. We cannot risk "splitting the vote" in a momentous time like this.

As always, don't forget to vote! Election day is March 5th .

Mark Wright
Chairman, Placer County Republican Party
